

Do you need help?

english

- Has someone offered you a job or accommodation in Europe? Have you been promised a residence permit? Did they ask for a lot of money for this help?
- Are the wages or working conditions not what you have been promised? Is someone forcing you to work under threat or violence? Can you refuse this work?
- Has anyone taken advantage of your difficult circumstances to force you to do things you don't want to do? Have you been or are you being forced into prostitution?
- Do you know someone who finds themselves in a situation like this?

We can provide information and support!
